 SUBJECT: SCHEININ'S VISIT - GENEVA 2006 CORRESPONDENCE LOG #20

1. Mission has received a communication from the UN Special Rapporteur on Human Rights and Counter Terrorism, Martin Scheinin, following his meeting with Legal Adviser, Political Counselor and his letter of February 8. The communication contains lists of names of detainees and detention facilities, which he would like to visit. It is number 20 on the Geneva 2006 Communications Log.

2. Begin text of letter:

20 March 2007

Excellency,

Once again I welcome this occasion to address you in my capacity as the Special Rapporteur on the promotion and protection of human rights and fundamental freedoms while countering terrorism. Further to my meeting of 1 February with Ms. Velia de Pirro, Political Affairs Advisor and Mr. Jeffrey Kovar, Legal Affairs Advisor and my letter of 8 February I would like to follow up on two specific issues regarding my upcoming visit to the United States of America scheduled to take place from 16 to 25 May 2007.

Pursuant to my mandate and in accordance with the standard Terms of Reference for Fact Finding Missions by Special Rapporteurs (which were attached to my letter of 5 January 2007), I would like to formally request to visit detention centres and interview persons held in relation to countering terrorism or being a threat to national security or persons convicted or terrorist offences. Please see attached Annex A which lists the names of detainees, if known,

and the detention facility and location. Specifically, I am hereby requesting access to at least one of the institutions listed under item I in Annex A; to at least one of the institutions listed under item II in Annex A, and to at least one of the persons listed under item III in Annex A. In respect of all three categories, I am requesting a possibility to interview the detainees without the presence of authorities, subject to consent by the detainees in question. I thank your Excellency's Government in advance for sending this formal request to the appropriate authorities to assist with this important component of my visit.

In addition, I would be very interested in attending and observing judicial proceedings regarding detainees held for terrorism-related reasons. Therefore please see attached Annex B which lists trials that may be underway during the time of my visit. I am of course particularly interested in the commencement of the trials of the Guantanamo Bay detainees pursuant to the Military Commissions Act and hereby request a possibility to attend one or more of those hearings that will be ongoing during my visit of 16-25 May. If these trials have not yet commenced during my visit I would like to express my interest in being able to observe a segment of these hearings at a later date.

I would like to thank your Excellency in advance for your Government's cooperation and assistance regarding my visit. I would be happy to make myself available for any other consultations which you may consider desirable. Please feel free to contact my assistant Sonia Cronin, scronin@ohchr.org, 022 917 9160.

Please accept, Excellency, the assurances of my highest consideration.

Martin Scheinin
